

Worksheet 6/7 on Singular Subject Verb Agreement

Mini Lesson

- Definition** Read the sentences aloud to hear which is the correct verb to write to agree with the subject.
- Example** Does your school have a playing field where you can play soccer, baseball and other sports?
- Directions** Write the tricky verb "to have" using "*have*" or "*has*" so that the subject agrees with the verb. The first one has been done for you.

- 1 Humans have changed the appearance and use of the land on Earth.
- 2 Human beings _____ cut down forests and drained wetlands.
- 3 People _____ replaced these ecosystems with towns and farms.
- 4 A natural process _____ the ability to change the landscape as well.
- 5 Floods _____ enough energy to wash away river banks.
- 6 One drought _____ the capability of creating a desert.
- 7 A pest or disease _____ the potential to kill a forest.
- 8 Earth's environment _____ cyclical changes like the seasons or longer like the ice ages that altered the global climate over thousands of years.
- 9 Ecosystems and humanity _____ altered the atmosphere, water and land.
- 10 Of all the parts of the environment, the land seems to _____ remained the most solid and unchanging.
